## Reddam House Berkshire

Conveniently located in Wokingham, Berkshire, near London in a beautiful parkland setting - the boarding community at Reddam House Berkshire is a homely yet structured atmosphere for resident students. It functions like a supportive extended family, where everyone has an important role to play in making this a healthy, thriving and happy community. House Parents, Tutors and our resident Matron get to know students well and provide the support, guidance and encouragement needed at each stage of their lives.

## Fulham School

Fulham Prep School is one of the largest and most prestigious Pre-Prep and Prep Schools in West London. The Schools prepare children for the top UK independent senior schools (London day schools and national boarding schools). Fulham now also incorporates a Senior School so pupils can continue their education at the school until age 18. Founded in 1996, the Fulham Prep Schools are leading, premium co-educational schools located in the London Borough of Hammersmith and Fulham. The schools have a strong reputation and were graded as "Outstanding" by Ofsted at the last inspection.

# International School of Siena

The International School of Siena opened in 2010 and has developed and grown considerably during the subsequent years. We are an IB World School, fully authorised for the Primary Years Programme and Middle Years Programme. Following an Authorisation visit this Spring 2019, we expect to embark upon our first year of the IB Diploma programme, which incorporates the pre-university qualification for 16 – 18 year olds. We have recently relocated to our stunning new school building where we enjoy spacious, light, modern teaching spaces with an indoor gym, drama/dance studio, 2 libraries, music and art rooms and science laboratories fitted out to the highest standards. Our Early Years spaces are specially designed to complement the Reggio Inspired teaching approach. Learning at the International School of Siena is an international experience with students from around 25 nationalities. It leads to a perception of the world that merges understanding of our global context with the development of skills and attitudes that young people require to participate fully in the world of tomorrow, both as national and global citizens.

## ADDITIONAL INFORMATION

- Some basic uniform items needed.
- Some extra curricular activities included, some at an additional cost.

## IS SIENA is well known for:

- Our new school campus in a beautiful part of Tuscany with a large indoor gym, new science lab facilities and drama/dance studio. The location has much to offer for culture and fine art. Small class sizes (+14) with a high level of teacher time and dedicated attention for every student

We have new science lab facilities, an art and design lab and outdoor sports facilities including a professional-size football field and a multipurpose sports field. The location has much to offer for culture and fine art with Milan close by. International exchange students can also develop their knowledge of the Italian language.

# Sotogrande International School

Sotogrande International School (SIS) is a day and boarding school, which follows the IB programme from 3-18 years. Home to a passionate learning community who inspire and encourage learning and intercultural understanding, promoting education as a force for good in the world. With more than 990 children from over 46 countries, SIS provides a challenging, nurturing and academically rigorous International Education. Throughout the IB programmes teachers aim to combine academic excellence with extraordinary educational experiences. Embracing the creative use of technology and authentic service experiences students are encouraged to think independently and critically, developing their own unique interests, gifts and talents and taking opportunities to be the best they can be. We are a learning community, passionate about providing an International Education, which inspires and encourages learning and intercultural understanding. We facilitate self-discovery and the development of unique interests, gifts and talents, whilst promoting service learning as a force for good in the world.

# Colegio San Patricio International School Toledo

Colegio San Patricio boasts three schools in Madrid, an international school in Toledo with a students' residence, a foundation dedicated to educational research and cooperation, and a dedicated Art Centre. San Patricio is an engine of change in the Spanish educational system. This is reflected in our commitment to a model that, supported by the Sports and Health Education project, seeks to develop the skills of autonomy, relationship-building and communication in its students. This assists us in not only maintaining the highest academic standards, but also fosters the future leaders of tomorrow. Along with the school's renowned artistic programmes and commitment to the development of emotional intelligence, multilingualism and continuous innovation, our innovative approach has made San Patricio a benchmark of educational excellence in Spain.
