STATEMENT OF AIM

AIS aims to provide a safe and reliable School Bus service using modern air-conditioned vehicles for the purpose of picking up and dropping off School students on designated operational routes determined by the School.

All vehicles will have regular safety and maintenance checks and will be operated by a licensed driver.

RATIONALE

- The School wishes to service the transport needs of the student and parent community in Ho Chi Minh City. For safety reasons however, this service is not normally extended to students in Kindergarten.
- Transportation arrangements typically take up to one week to finalise. This registration form must be submitted five days prior to the start of service.
- The School may change the bus schedule from time to time. In such cases, AIS Transport Department will notify parents by email.
- To ensure on-time arrival at School, buses can wait no longer than **2** minutes after the designated pick-up time before moving to the next pick-up point.
- To maintain an effective and efficient service, it is expected that parents adhere to the agreed pick up and drop off details agreed in the Bus Registration Form. In the event of repeated lateness, the School reserves the right to withdraw the service.

THE ROLE OF PARENTS

Parents who request and pay for the School Bus will:

- Inform the School of any required changes to the bus route at least 1 week in advance of the required change.
- Inform the Transport Manager prior to pick-up, if the child is not catching the School bus on any given day.
- Sign a Bus Registration Form which confirms the pick-up and drop-off address and requirements. This is a service agreement that parents, students and the School will use to their best endeavours to adhere to.
- Ensure that students are ready for pick up at the agreed time with the Transport Manager.
- Ensure that appropriate authorised personnel are at the drop-off point with your son/daughter(s).
- Ensure that your son/daughter(s) behave in an appropriate manner at all times while on, or waiting for the School Bus.

THE ROLE OF STUDENTS

Good conduct is necessary for a safe bus ride. Students must be prompt for all collections and drop-offs.

Students travelling on the bus must:

- Be prompt for bus departures, by being at the assigned bus stop **5** minutes before scheduled departure.
- Listen and follow the instructions from teacher/guard/bus hostess/driver at all times
- Treat all staff (drivers/bus hostesses) as you would treat a teacher.
- Secondary students who miss the bus must arrange their own transportation to school or home.
- Behave in an appropriate manner at all times. Be polite, courteous, and respectful to the driver and other passengers.
- Do not talk to, or distract the driver.
- Talk both respectfully and in quiet voice.
- Keep the bus clean and respect the rights and property of other passengers on the bus.
- Keep head, arms, legs, and hands inside the bus at all times.
- Keep feet off the seats.
- Never throw objects around the bus or outside the windows.
- Never open the windows without the driver/bus hostess's permission.
- Do not push or shove.
- **No food or drink allowed on the bus.** (Water is ok).
- Remain in the seat allocated by the duty teacher/guard/bus hostess/driver and wear a seatbelt at all times until the bus comes to a complete stop.
- Get off the bus at your approved drop off point only.
- Inform the school as early as possible (ideally 24 hours in advance) if you are on a bus list but not using the bus. In exceptional circumstances, if routes and seats allow, the Transport Manager may allow changes before **1pm** on the day of travel.
